Lewis Switzer (Schweitzer/Sweitzer) of Clarion Co. Pa.

Lewis Switzer genealogy	Barlett connections	Colwell Connections
Searching for relations	New DNA testing	Whitmer connections

Searching for Lewis Switzer's Pre Clarion Co. (1804) place of residence and other family members. Lewis Switzer (name spelling previously Sweitzer and Schweitzer) arrived in Clarion Co about 1804 and we have no clue as to where he may have come from. We have found connections to our family with the Colwell's and Barlett's, both from Berks Co but have not proven a connection to Berks County to date. Anyone who might have a Lewis/ Ludwig/Laurence in their family b. 1750 ca please contact us. We do have a family oral history similar to that of the Peter Schweitzer who married Elizabeth Heffelfinger in Berks Co and family rumors say that we were in Lancaster, Philadelphia, German town area early on and we suspect the possibility of Maryland around 1800.

Current research is being done on a Lewis Switzer (Ludwig) in Maryland that could be this Lewis in Clarion. We found and have sent for copies of the Shriver papers where there is an insolvency case concerning one Ludwig/Luther/Lewis Switzer in Md 1801-1802. This is the same Ludwig Switzer married to Maudlin Yingling. The Yinglings, Sloughenhaupt, and others from that area make their way to Clarion Co. Pa.

New research Whitmer connections

We have recently learned that a Joseph Whitmer married to a Mary Switzer came to Clarion prior to 1810. We are researching this

family line to see if Mary is a sister to our Peter and Lewis Jr. This Whitmer family came in from Franklin Co. traveling with a Christian Over who married Joseph's sister Nancy Whitmer. Any information on this group is appreciated.

New DNA testing

We have successfully connected all the lines in this genealogy that have been tested. See the DNA news page to look at the results. Two cousins have been found to have been sired by someone outside the family.

We have also just learned that we are matching DNA (-1 red marker) with a group of **Peter Schweitzer** of Somerset Pa.

Barlett connections

We have just discovered a Barlett Switzer connection as of recently and are currently trying to make connections with our Switzer clan to that of the Barletts of Berks Co. A Peter Barlett married 2nd a Christina Switzer b. 1780c. and we are looking for information on her. Peter's son Lewis Barlett married 1st a Catherine (possibly middle name of Caroline) Switzer b. 1816c. from Clarion Pa. This is more than likely a granddaughter of Lewis as Peter Barlett is found living between his son's Peter and Lewis Switzer on the 1810 Armstrong Co. census (Clarion area before being made a county). Anyone with information on this Switzer or Barlett group is asked to contact Deb Walsh at DebAu92@attbi.com
